

SGI Canada Youth is pleased to invite you to our introductory seminars

SGI Canada Culture Centre
2050 Dufferin Street
Toronto, Ontario

When:

7:30pm-8:30pm
Thursday nights as per schedule
There is chanting from 7:15pm for those interested in participating.

Everyone is welcome to join any or all of the seminars.

To lose heart just because of one or two failures is shortsighted indeed. Life is a long journey. Youth should go forward with courage, realizing that the more often you fail, the firmer the foundation you are building for your future life and happiness.

Hope transforms pessimism into optimism.
Hope is invincible.
Hope changes everything.
It changes winter into summer, darkness
into dawn, descent into ascent,
barrenness into creativity, agony into joy.
Hope is the sun. It is light. It is passion.
It is the fundamental force for life's
blossoming.
